

In the end of a three years European Learning Partnership project “Making Women’s History Visible” the results of transnational cooperation and activities will be discussed, reflecting on the bases of female historical experiences leading us to a democratic and peaceful national and European future. The Learning Partnership project has been carried out in the framework of the EU SOCRATES Programme / Grundtvig 2 from 2004 till 2007. The European Conference is co-financed by the project partners, the Grundtvig 2 Programme and the Federal Ministry for Family Affairs, Senior Citizens, Women and Youth.
